

Art Of Dance Picture Week & Recital Photos

www.ArtOfDance.Photo/Aod

We photograph multiple poses for each dancer in their costume. Then we post the images on line so you can order exactly what you want.

***** Dancers must arrive with hair and makeup camera ready *****

You control the exact cropping. With our web site you are working directly with the lab software and you do not have to click through pages and pages of photos. They all load on the same page! You also have a choice of either glossy (shiny) or luster (matte finish) photo finishes and several photo sizes including square formats.

Our lab also offers 24 hour on line tech support: help@smugmug.com

If you are inquiring about an order you placed include the order number in the email.

**** Ordering instructions are on the back of this form ****

They also offer three shipping options in case you need something last minute.

Consider buying digital files! You can print from the High Resolution files and the low resolution files are great for email, screen savers, social media, your cell phone and many other things.

They are sent to you immediately after you pay for them!

The \$5.00 Low Resolution digital files are best for social media. It will print a decent 4x6 photo. It is mainly intended for social media or as an image for your devices.

The \$10.00 High Resolution digital files can be used for social media but it will also print up to an 11x14 inch print. It is also very nice for screen saver slide shows or desktop backgrounds.

The \$25.00 Original digital file is the large file that the professional camera produced. This is the highest quality you can get and is great if you want to print poster size prints. Some people buy this simply to archive the best quality image they can.

Photos will only be posted on line until September 30th 2017

If orders are not placed before September 30th there will be a \$20.00 fee to post each class or recital number for viewing.
